
ABOUT WINDHAM CHRISTIAN ACADEMY

Started in 1981, Windham Christian Academy is a PreK-12th grade non-denominational ministry of Windham Assembly of God dedicated to providing the best education for each individual student in an environment conducive to personal, spiritual, and academic growth. A Biblical worldview is the driving force behind our school as we seek to raise disciples of Christ.

Our culture of Christian values guides our faculty and staff in student-teacher interaction as well as in selecting and administering curriculum.

Windham Christian Academy admits students of any race, color, and national or ethnic origin.
